Event Detail and Group Pages

Single image: 1220x344 px

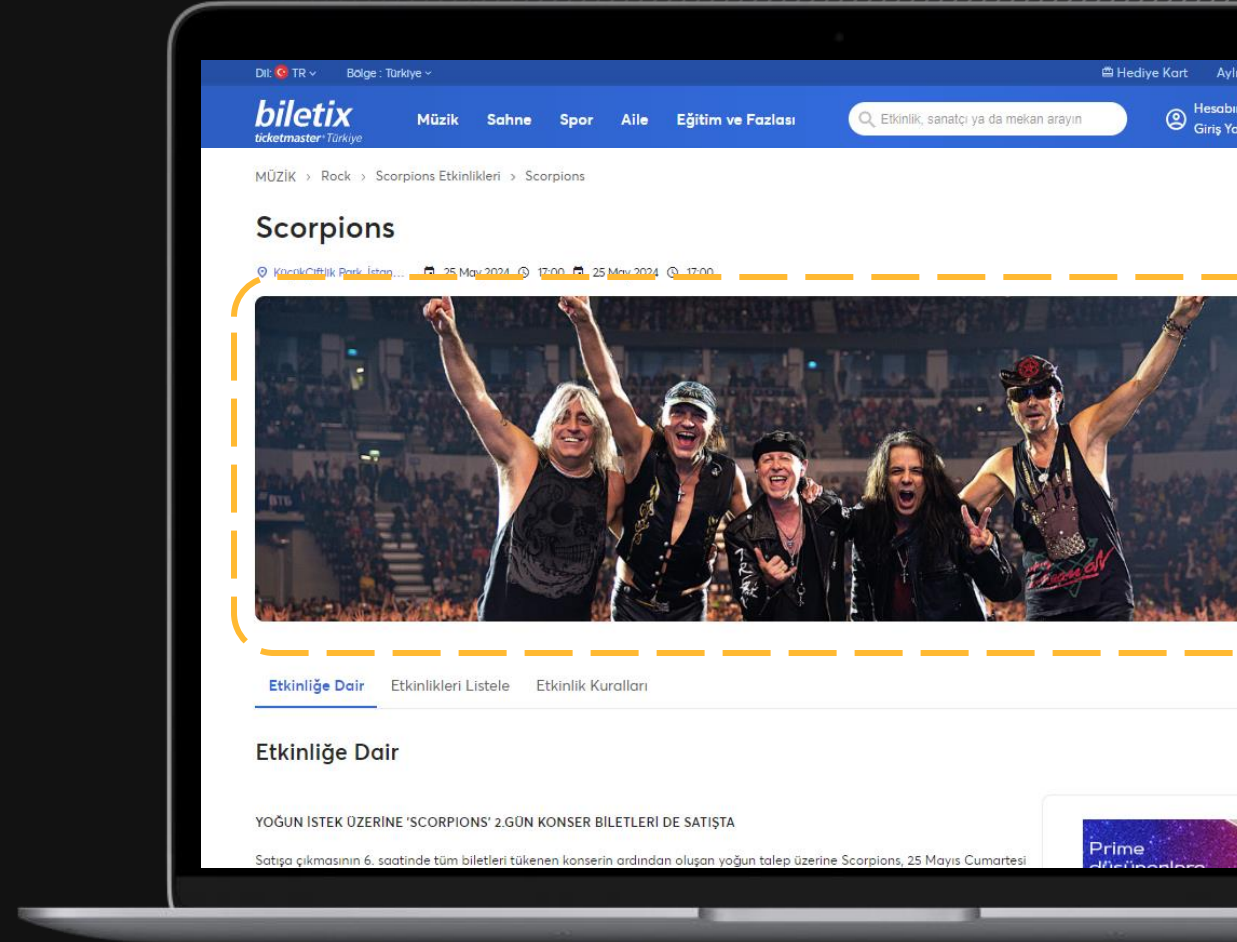

Gallery images: 914x504 px

Format: PNG

Size: 75 KB

Resolution: maximum 75 dpi

- Gallery images can be 2 or its multiples.
- Images should not contain information about venue, date, event name or logo.

Instagram & Meta Ads

- Post visuals should be from stage performances as much as possible. Short video content is preferred as it receives more engagement.
- Texts on ad images should not exceed 20% of the image.
- Video content creates more engagement in social media, so providing videos instead of still creatives is preferred. Video length should be kept as short as possible considering people's attention span.
- You can find Meta's guide on advertising images [here](#).

Pop-up & Retail Outlets LCD Screens

Pop-up Visuals

- It should be a simple poster image with the name, date and venue of the event. It should not contain more details.
- There should not be logos, phone numbers etc. This rule does not apply where the only visual element describing the event is the event logo, e.g. festivals.

Retail Outlets

QR coded versions of Instagram story visuals are displayed on LCD screens at Retail Outlets, which redirect to the event page.

Email & X (Twitter)

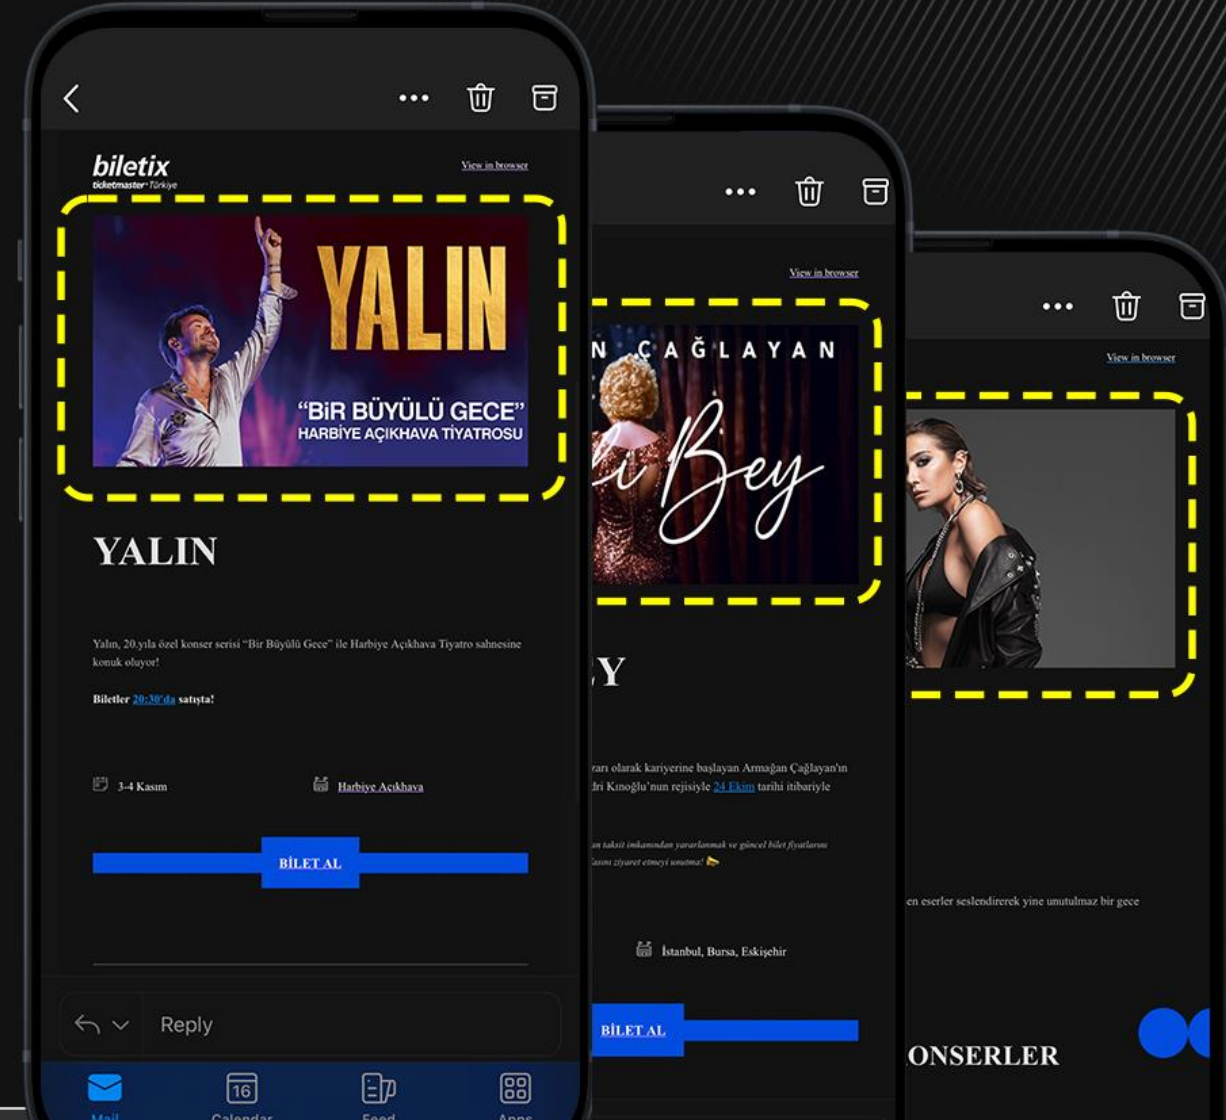

Dimensions: **520x300 px**

Format: **PNG**

Size: **50 KB**

Resolution: **max 70 dpi**

- **Email** images should not have the venue, date, promoter and sponsor logo on them. This rule does not apply where the only visual element describing the event is the event logo, e.g. festivals.
- For **X (Twitter)**, a video with a maximum length of **140 seconds** can also be used. Image sizes suitable for other platforms can also be used on X.

Spotlight Visual

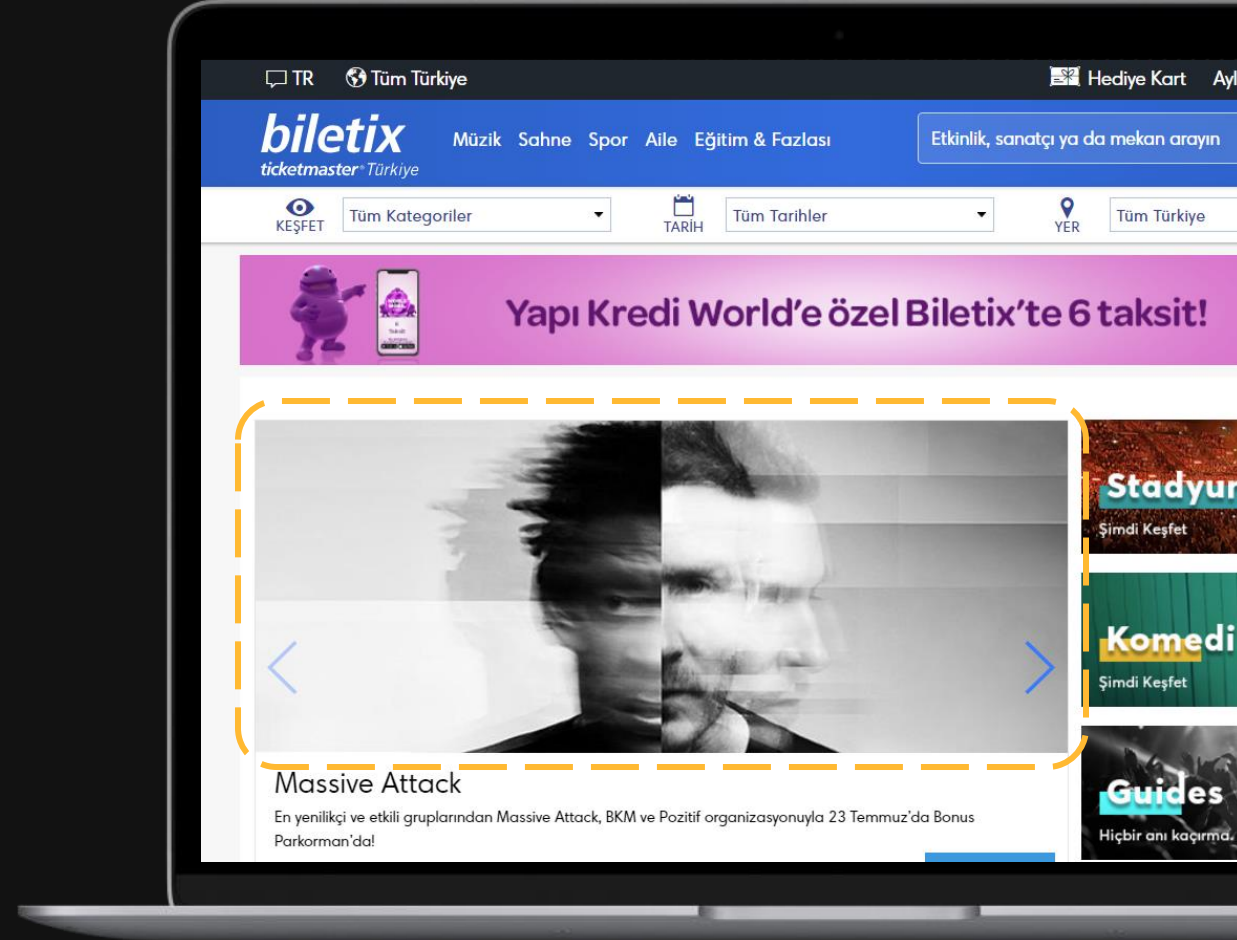

Dimensions: 665x272 px

Format: PNG

Size: max 75 KB

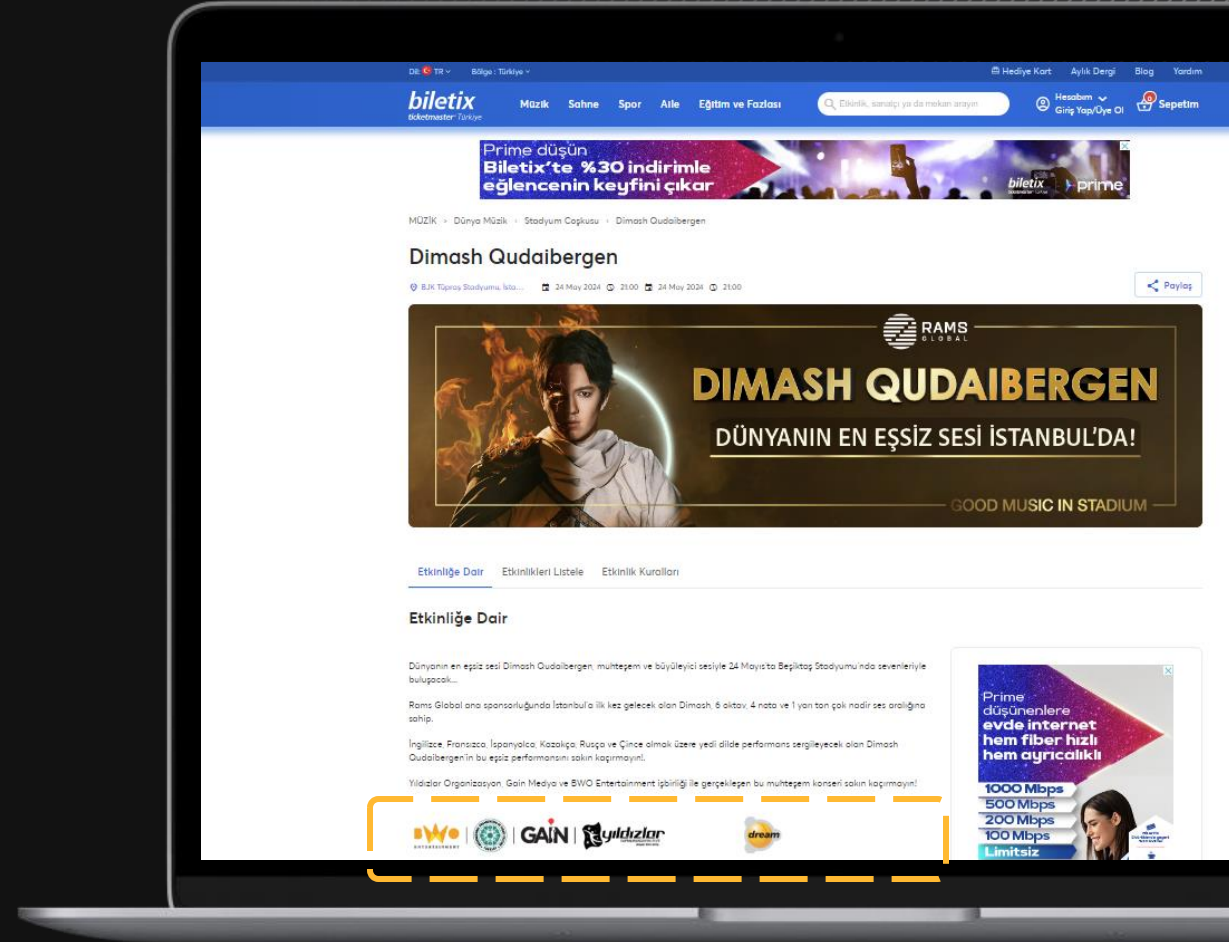

Resolution: max 75 dpi

- There should not be venue, date, promoter and sponsor logos on the images. This rule does not apply where the only visual element describing the event is the event logo, eg festivals.
- Where the use of text cannot be avoided, the text area should not exceed 20% of the overall image size.

Sponsor Logo

- In single logo use: **minimum 60 px** height and desired width.
- When using more than one logo: It should be **580x60 px**.
- Format: **PNG**
- Logos should be designed according to the space and the text should not be too small to read.

Venue Pages

Logo

Dimensions: 457x252 px

Format: PNG

Size: max 50 KB

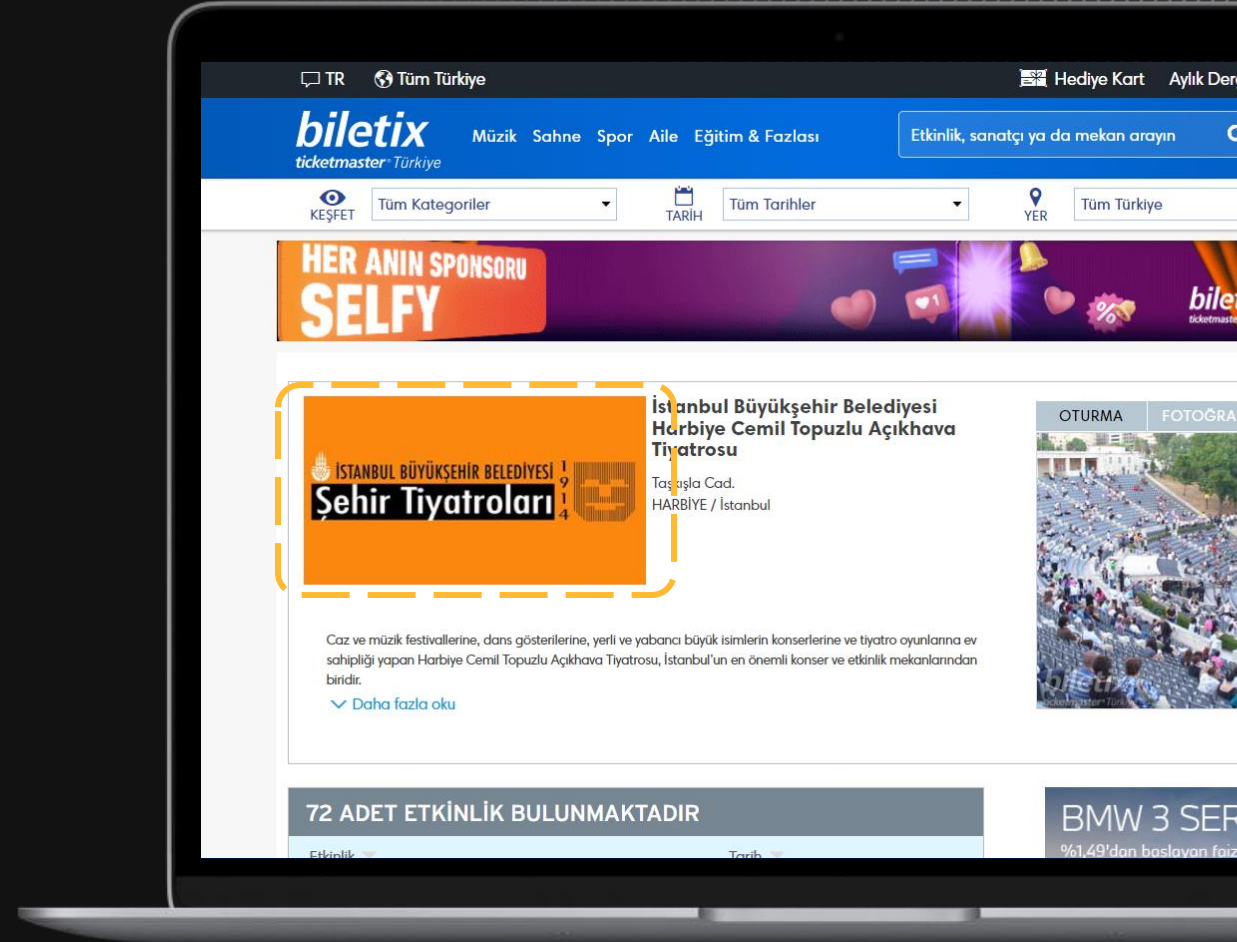

Resolution: max 75 dpi

Gallery Visuals

Dimensions : 350x290 px

Format: PNG

Maximum 3 gallery visuals can be displayed.

A vibrant concert scene with a large crowd of people, many with their hands raised. The stage is illuminated with bright blue and white spotlights, and the air is filled with a thick shower of colorful confetti. The overall atmosphere is festive and celebratory.

Thank you.
